This menu is compiled based on information provided to The Counter® from food manufacturers as of the date of publication. While we have carefully reviewed our recipes to inform our customers of foods that contain food allergen as part of the recipe, we cannot guarantee that cross-contact with other foods will not occur during production. Every effort is made to keep this information accurate. However, it is possible that ingredient changes and substitutions may occur due to the differences in regional suppliers, recipe revisions, preparation techniques, and/or the season of the year. Certain menu items may vary from restaurant to restaurant and may not be available at all locations. We highly recommend that our guests with food allergies or special dietary needs consult with a restaurant manager prior to placing an order to ensure the posted information is accurate and represents the menu items sold at the particular location. Limited time offers, test products, or regional items have not been included. *Consuming undercooked meats, seafood, or eggs may increase your risk of foodborne illness. All ingredients in-store may contain traces of nuts, nut oils, or may have been made alongside other products containing nuts.
